

COMPANY DECK

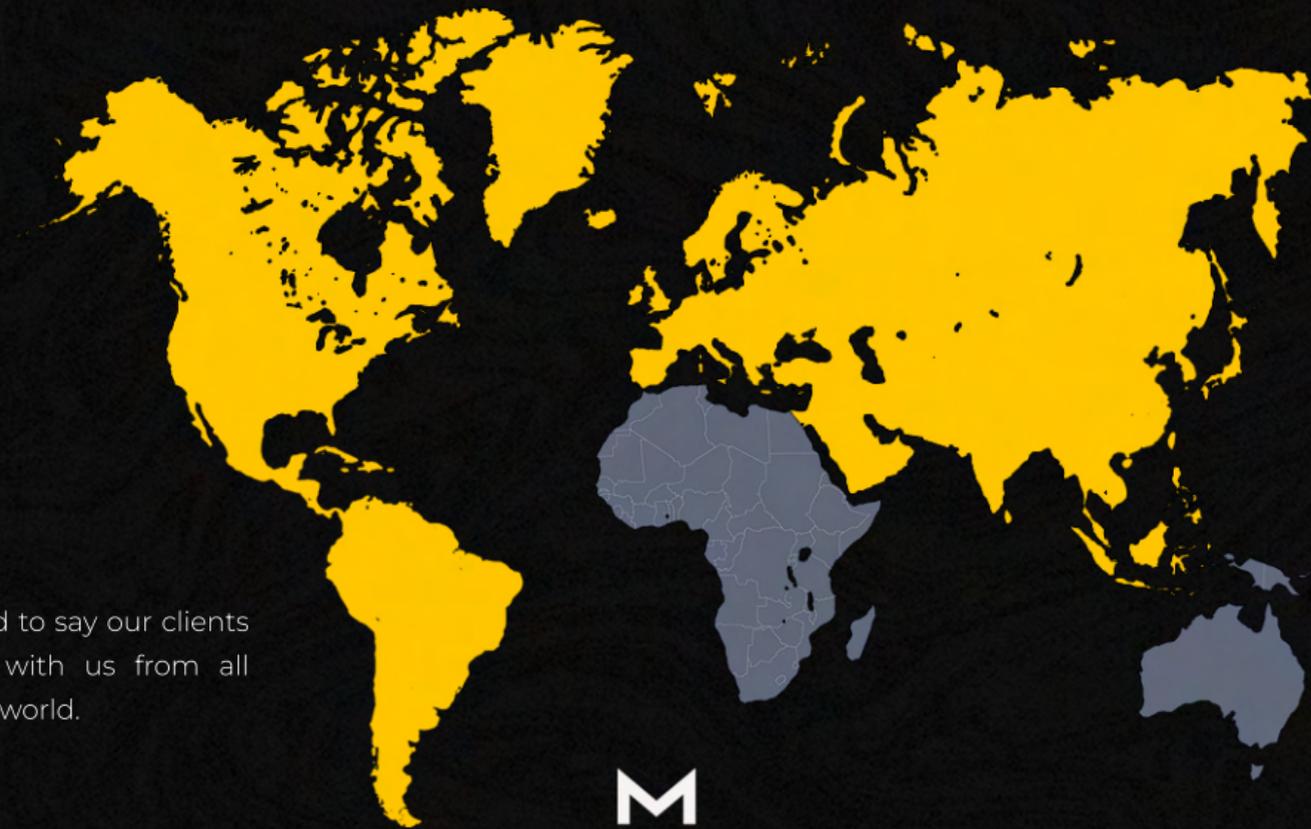

WHY CHOOSE MIELA DIGITAL?

Miela Digital, born as a video game agency, evolved by seamlessly merging user acquisition skills with the dynamic gaming industry, resulting in rapid growth and earning the trust of industry leaders. Our strength lies in our diverse, global team, promoting inclusivity and integrating unique perspectives into our strategic decisions. With 'Professionalizing Content Creation' as our daily mantra, we are committed to enhancing content and delivering results in every project.

PRESENCE

We're proud to say our clients connected with us from all around the world.

WHAT WE DO

We Professionalize Content Creation

Online Event Production

We leverage various technologies and platforms to create engaging and interactive experiences for participants who are attending the event remotely.

Influencer Management

We identify, engage, and collaborate with influencers within the online gaming industry to promote your brand or services.

Event Production

We innovate on all the logistical aspects required to bring an event to life, including venue selection, ticketing, marketing and promotion, and overall event management.

Social Media Management

We enhance brand presence, engage with the audience, and achieve marketing objectives through effective and strategic use of social media platforms.

Paid Media

We target specific demographics, setting budgets, and optimizing ad placements for maximum reach and effectiveness.

Esports Consulting

We provide expert advice, guidance, and strategic support to individuals, organizations, teams, or businesses involved in the esports industry.

INVENTORY

ATHEN'S LEAGUE

Athen's League is a Miela initiative to support the inclusion of the female gamers into the esports ecosystem.

A yearly league with four different seasons where sponsors have different packages available to show their support to the gaming community.

SOCIAL MEDIA MANAGEMENT

The advertisement features a blue background with a game map. At the top left is the Intel logo. At the top right is the LGT logo. In the center, there is a tweet that reads: "¡HAF Khyrima matado a LGT Kirito!". Below the tweet, the text "POTENCIA TU JUEGO HASTA 300 FPS" is displayed in large white letters. To the right of this text are three Intel processor boxes: "CORE i3 8th Gen", "CORE i7 8th Gen", and "CORE i5 8th Gen". At the bottom left, the hashtag "#THEFUTUREISNOW" is visible.

We develop a tailored social media strategy that aligns with your brand's values and target audience. By conducting in-depth research on your industry, competitors, and audience preferences, we identify the most effective platforms to focus on and determine the type of content that will resonate with your target market.
